Tele Atlas MultiNet

Slovenia 2008.01

Tele Atlas MultiNet™

Tele Atlas delivers the freshest, richest, and most accurate data that power the world's most essential geographic solutions.

Our maps are continuously updated using information from our own drivers and from over 50,000 global sources such as satellite and aerial imagery, public data sources, government sources, mobile mapping vans, and utility, fleet and postal drivers.

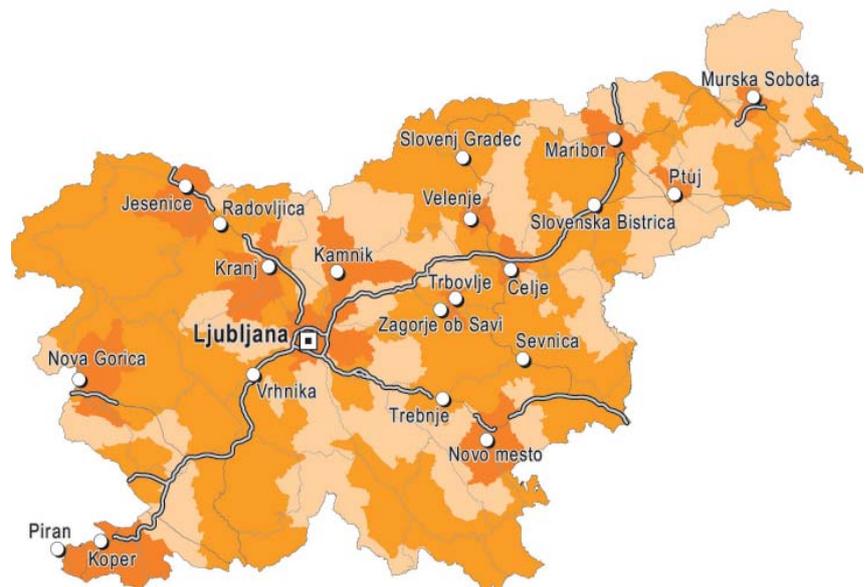

Tele Atlas collaborates with an expanding universe of pioneers in personal navigation, internet, wireless, automotive, enterprise and public service markets to deliver valuable products and services that help navigation system users find the people, places and products most important in their daily lives.
