IMPORTANT INFORMATION

- A transfer of securities can take up to 4 to 6 weeks. Please note that various parties are involved and, i.a., the custodian bank to which the securities account transfer is to be made is a factor in the duration of the transfer
- The transfer of fractional shares is not possible
- In case of a securities account transfer, sell orders at Trade Republic will be blocked from the moment of submission until the final execution of the transfer. Only positions that you want to transfer will be blocked
- In the event of a transfer from your Trade Republic securities account to a custodian bank within the EU, the purchase data will be transmitted, but may not be processed by the receiving custodian bank, and tax data may be lost

By giving your signature, you confirm that you have taken note of the above points.
